**INSTRUCTIONS FOR SENDING A SAMPLE FOR BLOOD SAMPLE HLA TYPING VIA
PHLEBOTOMY at the CHURCHILL HOSPITAL**

1. Please fill in a HLA/H&I (Tissue Typing) request form.
2. Please handwrite name, DOB and date on each tube.
3. Please send the samples and request form internally in the usual way.

NB. This test is not on EPR as potential donors are not registered at this stage. There is a local agreement that the test can be taken without an EPR request. Please contact Sue Fletcher, Sister of OPD or Bone Marrow Transplant Senior Nurse Specialist /Co-ordinators via OUH email if there are any issues.
